Bewdley Tennis Club

Policy on Changing Rooms

Juniors

Where Juniors are participating in tennis activities and may need to use the toilets and changing facilities, we advise that parents should always take full responsibility and ensure that their children are accompanied and safe using these facilities.

Bewdley Tennis Club is not a manned facility and cannot accept responsibility for the welfare of juniors in these circumstances.

Parents need to be aware that adult members of the club may also be using these facilities at the same time.
